

Comprehensive Levels of Warranties and Maintenance

At Lofty Building Group, we pride ourselves on delivering top-tier craftsmanship using quality materials, and are committed to ensuring your home lasts the test of time. That's why we offer a comprehensive range of warranties and maintenance services to give you peace of mind from the moment you move in and well into the future.

Levels of Warranties and Maintenance within and outside your home.

1. 3 months included maintenance
2. Specific Product warranty from manufacturers.
3. Statutory warranty for defects & poor workmanship, 5 years
4. 25 year structural guarantees on footings and steel framing

1 3-Month Complimentary Maintenance

During the first 3 months after your home is completed, we offer a maintenance service. This ensures that any minor issues that may arise as you settle into your new space are swiftly and professionally addressed. Whether it's an adjustment, a touch-up, or a small repair, our team is on hand to keep your home in perfect condition.

Compile a list for us during this time as the home settles. Please keep in mind we do all these changes at the same time following 3 months of you living in your home.

3 Defects and Poor Workmanship – 5 Years

We understand the importance of long-term reliability. That's why we provide a 5 year statutory warranty against any poor workmanship or defective materials.

2 Specific Manufacturers Product Warranty

Beyond the initial maintenance period, the quality products and materials used will also have their own manufacturer warranties.

These warranties safeguard you from failures that may occur due to the materials themselves, ensuring that your investment remains protected without any additional cost to you.

Our team supplies contacts for you to refer to if any issues arise.

4 25-Year Structural Guarantee – Built to Last

Our commitment to quality construction extends well beyond the short-term. We offer a 25-year structural guarantee. This covers the foundations to ensure that your home is built to withstand the test of time. This long-term protection provides peace of mind and underscores our dedication to excellence in every project.
